# CHECK BEFORE YOU PRINT

Save time and reduce waste by remembering these SIX STEPS before you send your design to be 3D printed...
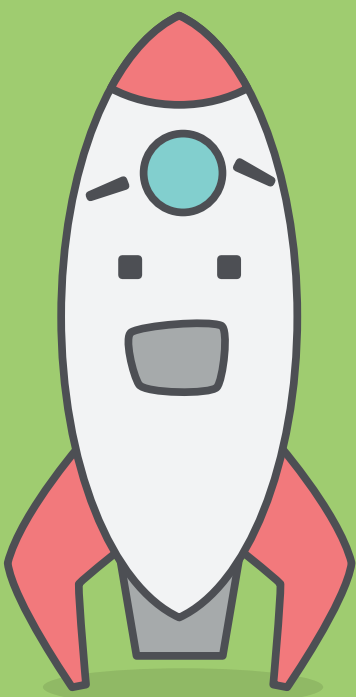

1. Have you checked your design from EVERY ANGLE?

2. Have you checked that all your shapes are CONNECTED?

3. Have you made sure there are no shapes FLOATING on their own?

4. Have you checked the SIZE of your design?

5. Have you made sure your design is TOUCHING THE PLATFORM?

6. Have you given your design a TITLE and written a DESCRIPTION?

Title

Rocky the Rocket

Description

Rockets are the coolest! You could go anywhere if you had a rocket. I would go
